In case of non-compliance with the provisions of article 28a of Codified Law 2190/1920, such a shareholder participates in the Ordinary General Assembly only after the General Meeting's authorization.

The exercise of this right does not require the blocking of shares or any other process which restricts the shareholders' ability to sell and/or transfer shares during the period between the Record Date and the General Meeting.

a) At the request of shareholders representing one twentieth (1/20) of the paid-up share capital, the Board of Directors of the company is required to include in the agenda of the ordinary General Assembly additional items, if the relevant request is communicated to the Board by 25.04.2016, i.e. at least fifteen (15) days before the date of the Annual General Meeting. The Board of Directors has the right to refuse to provide such information for a substantial reasonable cause, which is indicated in the minutes. The Board of Directors has the right to respond collectively to shareholders' requests with same content. There is no obligation to provide information when the relevant information is already available on the Company's website, in particular in the form of questions and answers.

d) At the request of shareholders representing one fifth (1/5) of the paid-up share capital, which is communicated to the Company by 04.05.2016, i.e. at least five (5) full days before the General Assembly, the Board of Directors is obligated to provide to the General Assembly the requested information regarding the Corporate Affairs and assets and liabilities of the Company. Such proof is provided by submitting the relevant written confirmation from HELEX, where the securities are held or by certifying the shareholder capacity directly through the Company's online connection with HELEX's records.

C. PROCEDURE FOR PROXY VOTING

Shareholders may participate in the Annual General Assembly and vote either in person or by proxy. Each shareholder, individual or legal entity, may appoint up to three (3) proxies for the General Meeting. Legal entities may take part in the Annual General Assembly by appointing as proxies up to three (3) individuals. In cases where a shareholder owns Company shares that are held in more than one

Investor Securities Account, the above limitation does not prevent the shareholder from appointing separate proxies for the shares appearing in each Account. A proxy holding proxies from several shareholders may cast votes differently for each shareholder.

Before the commencement of the General Meeting, the proxy must disclose to the Company any particular facts that may be of relevance for shareholders in assessing the risk that the proxy may pursue interests other than those of the shareholder. A conflict of interest may arise in particular when the proxy:

- b) is a member of the Board of Directors or of the Management of the Company or of a controlling shareholder or a controlled entity by such shareholder;
- c) is an employee or an auditor of the Company, or of a controlling shareholder or a controlled entity by such shareholder;
- d) is the spouse or a close relative (1st degree) of any natural person referred to in (a) to (c) hereinabove.

A proxy is appointed or revoked in written and is disclosed to the Company also in the same manner, at least three (3) days prior to the date of the annual Ordinary General Meeting.

The Company has made available in its website (www.plaisio.gr), the form that is used to appoint a proxy.
