

EURONEXT

Announce your Company's financial results using the IR Broadcasting service of Euronext Athens

The service is addressed at companies that wish to inform the domestic and international investment community, as well as financial analysts, of their results

With our IR Broadcasting service, you can:

Hold the event in a hybrid way, remotely, or in person at Euronext Athens premises

Use our interactive, intuitive and user-friendly platform

Enhance your company's outreach by accessing a broader audience

Strengthen your corporate image by displaying promotional material on the platform

Communicate effectively with the use of modern technological tools

Receive continuous support before and during the event by Euronext Athens' specialized staff
