B.2. License Categories Detailed Description

1. Standard Financial Institution:

Standard Financial Institution means a Market Data Client that has direct or indirect access to the Information for the sole purpose of Trading Non-Display Activities for its Internal Use and when applicable Internal Use of Non-Display Data other than Non-Display Trading Activities and/or Internal Use of Display Data.

The Use of Information for the purpose of operating a Trading Platform including internal matching of orders and the Redistribution of Information and/or of Original Created Works is not permitted under the Standard Financial Institution Client Categories.

2. Standard Financial Institution with Limited Redistribution:

Standard Financial Institution with Limited Redistribution means a Market Data Client that has direct or indirect access to the Information for the sole purpose of Non-Display Trading Activities for its Internal Use, that Redistributes Information or any Original Created Works derived thereof either as a Hosted Redistributor or as Retail Data Redistributor and when applicable Internal Use of Non-Display Data other than Non-Display Trading Activities and/or Internal Use of Display Data.

The Use of Information for the purpose of operating a Trading Platform including internal matching of orders is not permitted under the Standard Financial Institution with Limited Redistribution Client Categories.

3. Premium Financial Institution:

Premium Financial Institution means a Market Data Client that has direct or indirect access to the Information for the sole purpose of Non-Display Trading Activities for its Internal Use and/or for the purpose of systematic internalisation (operating an SI) and when applicable Internal Use of Non-Display Data other than Non-Display Trading Activities and/or Internal Use of Display Data.

The Use of Information for the purpose of operating any other Trading Platform and the Redistribution of Information and/or of Original Created Works is not permitted under the Premium Financial Institution Client Categories except for the Redistribution of the prices/quotes from the Market Data Client's SI platform that are (i) derived from the respective Real-Time Data Information Products and (ii) Original Created Works.

B.2. License Categories Description (Cont'd)

4. Premium Financial Institution with Limited Redistribution:

Premium Financial Institution with Limited Redistribution means a Market Data Client that has direct or indirect access to the Information for the purpose of Non-Display Trading Activities for its Internal Use, operates a Trading Platform and Redistributes Information or any Original Created Works derived thereof either as a Hosted Redistributor or as Retail Data Redistributor and when applicable Internal Use of Non-Display Data other than Non-Display Trading Activities and/or Internal Use of Display Data.

5. Trading Venue:

Trading Venue means a Market Data Client that has direct or indirect access to the Information and Uses such Information to operate a Trading Platform. The Redistribution of Information and/or any Original Create Work derived thereof is permitted.

The Use of Information for Non-Display Trading Activities is not permitted under this Client Category.

6. Datafeed Recipient:

Datafeed Recipient means a Market Data Client that has direct or indirect access to the Information for the sole purpose of Display Use and/or Internal Use of Non-Display Data other than Non-Display Trading Activities, operating a Trading Platform or Redistribution of Information or any Original Created Works derived thereof.

7. Standard Redistributor:

Redistributor means a Market Data Client (including Sub Vendors) that has direct or indirect access to the Information for the sole purpose of Redistributing Information Products and/or any Original Created Works derived thereof.

The Use of Information for Non-Display Trading Activities or for the purpose of operating a Trading Platform is not permitted under the Redistributor Client Categories.

Non-Display Data Fees are charged to following Redistributor Client Categories:

- Standard Redistributor
- Extranet Service Provider (ESP) for the sole purpose of providing ESP Services
- Hosted Redistributor (Member/Non-Member using Data Vendor to provide to retail on-line trading service)
- Retail Data Redistributor: available for Trading Members that have a membership for and are active on the respective Euronext market and Redistribute Information Products solely to Retail Users. The Redistribution of any Original Created Works is not permitted under this Client Category.

B.2. License Categories Description (Cont'd)

8. Retail / Hosted Data Redistributor:

Available for Trading Members that have a membership for and are active on the respective Athens market and Redistribute Information Products solely to Retail Users. The Redistribution of any Original Created Works is not permitted under this Client Category.

9. Redistributor ESP:

Extranet Service Provider, Raw feed only.

10. Redistributing Standard Financial Institution:

Redistributing Standard Financial Institution means a Market Data Client that has direct or indirect access to the Information for the sole purpose of Non-Display Trading Activities for its Internal Use, that Redistributes Information and/or any Original Created Works derived thereof and when applicable Internal Use of Non-Display Data other than Non-Display Trading Activities and/or Internal Use of Display Data.

The Use of Information for the purpose of operating a Trading Platform including internal matching of orders is not permitted under the Redistributing Standard Financial Institution Client Categories.

11. Redistributing Premium Financial Institution:

Redistributing Premium Financial Institution means a Market Data Client that has direct or indirect access to the Information for the purpose of Non-Display Trading Activities for its Internal Use, operates a Trading Platform and Redistributes Information and/or any Original Created Works derived thereof and when applicable Internal Use of Non-Display Data other than Non-Display Trading Activities and/or Internal Use of Display Data.
