Deferred interest is payable on the due date of the Mezzanine Notes (Class B) at which either the Senior Notes' (Class A) capital has been repaid in full (and provided there are sufficient Available Funds to pay the of Deferred Interest, otherwise they become payable on the next specified Interest Payment Date of the Mezzanine Notes (Class B)) or the relationship between realized and budgeted net collections has been fully restored.

The payment of the interest to the holders of the Mezzanine notes issued by Galaxy II Funding DAC, Orion X Securitization DAC and Cosmos Securitization DAC was postponed for 2025 and remained unpaid.
